## VENUE DESCRIPTION

If you're looking for a fun "place where people gather" in Milwaukee, The Dock at Bradford Beach is definitely a location you'll want to consider! :) Although we are new to acquire this space, and still working on getting our name out there, the location itself, "Bradford Beach", definitely makes it easy for us to draw in crowds, as it considered Milwaukee's #1 beach! It's full of activity, has great views and plenty of space to spread out.
