## VENUE DESCRIPTION

Located in the Third Ward across from the Milwaukee Public Market, our open-air cafe was inspired by the merchants that originally occupied this historic neighborhood. We have created fully operable windows (custom designed and built by our artist team) to blur the lines between inside seating areas and the outdoor sidewalk communal tables and bike bar racks. The Third Ward location also offers Colectivo Keg Company beer, along with Colectivo's full range of cafe drinks, bakery, and food.
