## VENUE DESCRIPTION

Monona Terrace is a spectacular convention and meeting center born of architectural genius. Designed by Frank Lloyd Wright and located in the heart of the downtown Madison--Monona Terrace is a convention center like no other. The building is set on the shore of stunning Lake Monona with a design that reflects Wright's effort to complement the imposing appearance of the Wisconsin State Capitol Building located just two blocks away. The building successfully combines form and function in one of America's most celebrated cities--Madison, Wisconsin.
